**smashburger** 

Every burger at SMASHBURGER® starts as a fresh, never-frozen ball of all-natural, 100% CERTIFIED ANGUS BEEF®. With a patented Smasher, we smash the ball of beef on a hot-buttered grill, creating a CARAMELIZED edge that seals in the juices. Our burgers are served on a butter-toasted artisan bun and topped with the best cheeses, FRESHEST PRODUCE and sauces – creating a one of a kind testament to burgervores everywhere.

SMASHBURGER COMBINES THE BEST OF THE \$69 BILLION QSR BURGER SEGMENT.\*

# A SYSTEM THAT WORKS DDDFORYOU

#### Wes Broomfield, *Orlando and Jacksonville Markets*

I came to Smashburger after 36 years of experience in the food industry, overseeing quick service burger locations. My partner and I were looking for a brand with great food and enormous growth potential. Smashburger's brand buzz is incredible – everyone who knows the brand is excited about the brand. We look forward to building Smashburger restaurants to leave behind for our children so that they can become the next generation of entrepreneurs.

## David McBride, Mohegan Tribe, Connecticut / Rhode Island / Massachusetts

The Mohegan Tribe had a very successful opening of the Tribe's first Smashburger store in Connecticut. The Tribe was very impressed with Smashburger's commitment to bringing the fast-casual restaurant experience to a higher level by providing customers superior products and service. The Tribe looks forward to a long lasting future with the brand as we open many more locations throughout Connecticut, Rhode Island, and Massachusetts!
